Director's Report:

December was a month filled with many memories. Woodland students interviewed our 2025 Elder. Their next task for our upcoming Community Celebration is to begin writing the song. Students did their final preparations for the Winter Concert, which ended up getting postponed until January due to inclement weather. As the holiday season approached and the end of 2024 came to a close, students waited with anticipation for winter break. They made gifts for their parents, decorations for the concert, practiced songs for the program and enjoyed being together. It was a great way to end the calendar year.

12 kindergarteners are registered for the 25-26 school year as of today.

Student Achievement:

Report Cards for trimester one went home.

NEO Update including Contract Goals:

We are continuing to work on all our goals.

Director's Performance:

A student survey was administered to all students K-5 regarding their classroom teacher. The goals of the survey are to gain student feedback, but also to see trends from year to year. 96% said their teacher treats them respectfully. That was our highest score. 74% said they are learning new things. That was the lowest score. The survey had 8 questions in total.

Nerstrand Elementary School #4055 Financial Report to the School Board December 2024

The following reports are provided for review: bank statements, journal entries listing, receipt listing, check listing, wire listing, bank reconciliation, balance sheet and cashflow schedule.

The balance sheet shows the school has a \$697,405 cash balance that is sufficient to meet the school's expected obligations. Also, the school received \$882 more than expected from the state for the prior year. The school's fund balance has the following restrictions: \$2022 is restricted for school library expenses (another \$20,000 will be received in FY2025), \$20,000 is restricted for student support personnel expenses (another \$20,000 will be received in FY2025, of the combined \$40,000 only \$20,000 will carryforward to FY2026), \$9472 is restricted for medical assistance expenses and \$1161 is restricted for the Regal Eagles program.

The cashflow schedule shows December actual and January through June projected revenues and expenditures. The column to the right shows the projected end-of-year accruals which are primarily the 10% state aid holdback and payroll earned in FY2025 but paid after June 30. The actual column on the right shows expected variance from the budget.

The FY2025 budget is based on 100 adm. The actual column is based on 103 adm. \$20,000 of new student support personnel aid was not added to the actual column because \$20,000 was carried forward last year and there is a max \$20,000 limit, it must be paid back if not spent on allowable salaries and/or contracted services. Revenues and expenditures should be monitored to prevent actual from falling short of or exceeding budget.

The prior year general fund ending fund balance is \$88,252 more than estimated in the budget at \$544,774. The FY2025 actual general fund ending fund balance is expected to be \$123,640 more than budget at \$488,122.

403 DISCIPLINE, SUSPENSION, AND DISMISSAL OF SCHOOL DISTRICT EMPLOYEES

I. PURPOSE

The purpose of this policy is to achieve effective operation of the school district's programs through the cooperation of all employees under a system of policies and rules applied fairly and uniformly.

II. GENERAL STATEMENT OF POLICY

The disciplinary process described herein is designed to utilize progressive steps, where appropriate, to produce positive corrective action. While the school district intends that in most cases progressive discipline will be administered, the specific form of discipline chosen in a particular case and/or the decision to impose discipline in a manner otherwise, is solely within the discretion of the school district.

III. DISCIPLINE

A. Violation of School Laws and Rules

The form of discipline imposed for violations of school laws and rules may vary from an oral reprimand to termination of employment or discharge depending upon factors such as the nature of the violation, whether the violation was intentional, knowing and/or willful and whether the employee has been the subject of prior disciplinary action of the same or a different nature. School laws and rules to which this provision applies include:

- 1. policies of the school district;
- 2. directives and/or job requirements imposed by administration and/or the employee's supervisor; and

3. federal, state, and local laws, rules and regulations, including, but not limited to, the rules and regulations adopted by federal and state agencies.

B. Substandard Performance

An employee's substandard performance may result in the imposition of discipline ranging from an oral reprimand to termination of employment or discharge. In most instances, discipline imposed for the reason of substandard performance will follow a progressive format and will be accompanied by guidance, help and encouragement to improve from the employee's supervisor and reasonable time for correction of the employee's deficiency.

C. Misconduct

Misconduct of an employee will result in the imposition of discipline consistent with the seriousness of the misconduct. Conduct which falls into this category includes, but is not limited to:

- 1. unprofessional conduct;
- 2. failure to observe rules, regulations, policies and standards of the school district and/or directives and orders of supervisors and any other act of an insubordinate nature;
- 3. neglect or continuing neglect of duties in spite of oral warnings, written warnings and/or other forms of discipline;
- 4. personal and/or immoral misconduct;
- 5. use of illegal drugs, alcohol or any other chemical substance on the job or any use off the job which impacts on the employee's performance;
- 6. deliberate and serious violation of the rights and freedoms of other employees, students, parents or other persons in the school community;
- 7. activities of a criminal nature relating to the fitness or effectiveness of the employee to perform the duties of the position;

- 8. failure to follow the canons of professional and personal ethics;
- 9. falsification of credentials and experience;
- 10. unauthorized destruction of school district property;
- 11. other good and sufficient grounds relating to any other act constituting inappropriate conduct;
- 12. violation of the rights of others as provided by federal and state laws related to human rights.

IV. FORMS OF DISCIPLINE

- A. The forms of discipline that may be imposed by the school district include, but are not limited to:
 - 1. oral warning;
 - 2. written warning or reprimand;
 - 3. probation;
 - 4. disciplinary suspension, demotion or leave of absence with pay;
 - 5. disciplinary suspension, demotion or leave of absence without pay; and
 - 6. dismissal/termination or discharge from employment.
- B. 405 VETERAN'S PREFERENCE

L PURPOSE

The purpose of this policy is to comply with the Minnesota Veterans Preference Act (VPA) which provides preference points for veterans applying for employment with political subdivisions, including charter schools, as well as additional rights for veterans in the discharge process.

II. GENERAL STATEMENT OF POLICY

- A. The charter school's policy is to comply with the VPA regarding veteran's preference rights and mandated preference points to veterans and spouses of deceased veterans or disabled veterans.
- B. The school's policy is also to comply with the VPA requirement that no covered veteran may be removed from public employment except for incompetency or misconduct shown after a hearing upon due notice, upon stated charges, and in writing. This paragraph does not apply to the position of teacher.
- C. Veteran's preference points will be applied pursuant to applicable law as follows:
 - 1. A credit of ten points shall be added to the competitive open examination rating of a non-disabled veteran, who so elects, provided that the veteran obtained a passing rating on the examination without the addition of the credit points.
 - 2. A credit of fifteen points shall be added to the competitive open examination rating of a disabled veteran, who so elects, provided that the veteran obtained a passing rating on the examination without the addition of the credit points.

- 3. A credit of five points shall be added to the competitive promotional examination rating of a disabled veteran, who so elects, provided that (a) the veteran obtained a passing rating on the examination without the addition of the credit points and (b) the veteran is applying for a first promotion after securing public employment.
- 4. A preference may be used by the surviving spouse of a deceased veteran and by the spouse of a disabled veteran who, because of the disability, is unable to qualify.
- D. Eligibility for and application of veteran's preference, the definition of a veteran, and the definition of a disabled veteran for purposes of this policy will be pursuant to the VPA.
- E. When notifying applicants that they have been accepted into the selection process, the charter school shall notify applicants that they may elect to use veteran's preference.
- F. The charter school's policy is to use a 100-point hiring system to enable allocation of veteran's preference points. The school may or may not use a 100-point hiring system for filling teaching positions. If a 100-point hiring system is not used for filling a teaching position, preference points will not be added, but all veteran applicants who have proper licensure for the teaching position will be granted an interview for the position.
- G. If the charter school rejects a member of the finalist pool who has claimed veteran's preference, the school shall notify the finalist in writing of the reasons for the rejection and file the notice with the school's personnel officer.

[NOTE: A charter school may require a veteran to complete an initial hiring probationary period as defined in Minnesota Statutes, section 43A.16.]

- H. In accordance with the VPA, no honorably discharged veteran shall be removed from a position of employment except for incompetency, misconduct, or good faith abolishment of position.
 - 1. Incompetency or misconduct must be shown after a hearing, upon due notice, upon stated charges, in writing.

- 2. A veteran must irrevocably elect to be governed either by the VPA or by arbitration provisions set forth in a collective bargaining agreement in the event of a discharge.
- I. The VPA and the provisions of this policy do not apply to the position of private secretary, executive director, head of a department, or any person holding a strictly confidential relation to the charter school board or charter school. The VPA and the provisions of this policy apply to teachers only with respect to the hiring process, as set forth in Paragraph F., above.
