

NES will follow the CDC Guidelines with respect to COVID.

The CDC recommends that individuals:

- Stay up to date on vaccines
- Stay home when ill
- Use air purifiers (ventilation)
- Wash hands/use hand sanitizer
- Cover coughs and sneezes to reduce spread
- Clean school thoroughly, daily
- We will monitor the county numbers
 - <https://www.cdc.gov/coronavirus/2019-ncov/your-health/covid-by-county.html>
- CDC says masking should happen if the county is in the HIGH
- If we hit HIGH, staff will mask; students will be optional
- We will follow guidelines on expectations if a person is positive for COVID at the time.
- Homework will be sent home with students upon request. We are not offering distance learning at this time.
