

Nerstrand School E-Learning Plan

Nerstrand School will utilize e-learning days, in the event of inclement weather. We will implement e-learning days beginning on the second full-day closure of school because of inclement weather. The following outlines the process for an e-learning day.

Notification of E Learning Day

Parents/Guardians will receive an automated phone call or email via the Director. The announcement will state if it is an e-learning day. Students should not report to school but should engage in e-learning activities as assigned.

- Families will be notified at least 2 hours prior to the normal school start time that students will be participating in an e-learning day.
- Teachers will post the work plan by 8:30 AM for the students they would have seen that day.
- Teacher will be accessible both online by email or SeeSaw or Google Classrooms and by telephone via voicemail during normal school hours on an e-learning day to assist students and parents.
- The due dates for e-learning day assignments will be due two schools days after the e-learning day.
- Teachers will take attendance via email, SeeSaw/Google Classrooms or phone call by communicating with parents/guardians. Students may also return a signed work plan the following day to be in attendance for the e-learning day.
- Students whose family chooses to not participate in the e-learning day are reported as absent. It is up to the school whether to consider this an excused absence, according to Minnesota Statutes, section 120A.22, subdivision 12.

Once notified of an e-learning day, teachers will provide a work plan, activities related to current themes/units or targeted practice work. Please check your email for communication from your child's classroom teacher or call your teacher(s) if for any reason you do not have an internet connection. The work plan of activities is provided via Google Classroom (Grades 4& 5) and SeeSaw (Grades K-3). Teachers may also send home physical packets in an anticipation of an e learning day. Teachers will be available to support student's questions or if students need accommodations due to a 504 or special education services.
