Dear Parents,

Because of the crazy last week and the fact that not all students had their community building done, we WILL be building our community on Monday. Thank you for all the hard work that you and your student have put into the project. They are so excited about them and they look FANTASTIC! I will take lots of picture and post them on the website. We will be going to River Bend Nature Center on Tuesday. Please help make sure your child is dressed for the weather and is ready to spend the morning outside. I am looking forward to seeing you all at conferences. Remember you can e-mail or call me at any time if you have questions or concerns. We are starting our February Number Corner looking at shapes that are or aren't CONGRUENT. Ask your child if they remember what it means. (We learned today.☺) If you could send back the conference planning sheet by Wednesday I would really appreciate it as I use them to help prepare for conferences. Thanks so much!
