Dear Parents,

It is hard to believe it is the middle of November already! We have been working hard on some writing projects and also working on Main Idea and supporting detail during reading. A good way to help your child start to understand this is by asking them about the books they are reading. "What is the book mostly about?" is how we explain main idea. Asking them about their thinking helps them to develop strong comprehension skills. We are keeping a reading log that allows the kids to get their ideas down and develop deeper understanding. Please make sure you send winter gear from now on. It gets cold on the playground and boots and snowpants help keep them warm as well as dry. Thanks for all you do to support your child in school! This is an amazing class of children. ☺

Up Coming Events:
 Wednesday – Friday, November 21-23 – Thanksgiving Break

Have a great week!

Paula ☺
