Dear Parents,

I hope you have enjoyed the extra day off. It is going to be a cold week so please send all winter clothing with your child. They are outside for about 20 minutes at recess so snow-pants and boots will help them to stay warm. I told them to plan on bringing their “winter gear” until they are told by the para’s outside not to. The para’s work really hard to make sure that the kids are not only safe, but warm too. ☺ As we get going with reading some of the strategies that we teach and use are: using the picture clues. This is important because it helps a child to develop comprehension and gives them clues for decoding new words. Another strategy is (Lip’s the Fish) –get their mouth ready for the first letter of the word. This helps them to get the word started and then use what they know or see to help them figure out new words. I will share other strategies next week. Please make sure your child is reading or being read to every night. It is so important to the development of readers and it can be a great way to end a busy day. ☺

Up Coming Events:
Tuesday, November 26-1:00 and 7:00 Fall Music Program

Have a wonderful week!
Paula ☺
