Dear Parents,

It has been a busy few weeks. We have learned and practice routines and are getting rolling in all subjects. This week I will send home one day of math homework. It is from our new curriculum that we started last year. One thing that you can work on at home would be counting by 2,5 and 10s. Also identifying coins and counting money. So far we have done the penny and nickel. I am trying to add more money this year as it is truly a life-long skill. On Friday we will be going to the Big Woods State Park for Discovery Day. It is a fun, busy day and the kids are outside most of the day. We leave school about 9:30 and are there until the end of the day. Please help your child dress in layers that day. It can be cool in the morning and very hot by the afternoon. We have lunch out at the park and do four stations through-out the day. This coming Saturday is Nerstrand Night Out a P.T.O sponsored fundraising event that allows parents to get to know each other better and helps to build a strong community as well as raise money for the school. Our fieldtrips are all paid for by the P.T.O with no cost to the children. I hope you can all make it. AND we have a fabulous class project up for sale in our live auctions. Thanks for helping this year get off to a great start!

Up Coming Events:

Saturday, September 28- Nerstrand Night Out for Parents☺

Friday, October 4- No School

Have a wonderful week!

Paula ☺
