Dear Parents,  
This week we will be starting our spelling homework. The list will go home on Monday along with a homework sheet to fill out. The homework will be returned on Tuesday, but the list should stay at HOME so that your child can study the words through-out the week. We will do the spelling test on Friday mornings. This week will be “practice” so that the kids can understand the procedure and importance of spelling. We have started to work on handwriting this week. Please make sure that your child is holding their pencil correctly and that they have their paper the angle of their writing arms elbow. Also that they are starting their letters from the TOP of the page. Being consistent will help them establish good habits. I am looking forward to seeing you all at Nerstrand Night Out. It is a fun P.T.O sponsored event that allows the parents/staff to get to know each other and raises funds for our school. Remember that “picture day” is on Wednesday. Thanks for a helping us get off to a great year!

Up Coming Events:
