Dear Parents,

It has been a wonderful week! We are continuing to work on routines and getting into math and reading. At the bottom of the Weekly Peek you will notice SH: this stands for Super Helper. That means that it is your child's day to be the person to share during our morning meeting. This is a great way for kids to learn to feel comfortable speaking in front of groups of people. They may share either an event that is happening in their lives or ONE item that they have brought from home. Please don't send things that may get broken or expensive electronics. Ideas would be a picture from a trip or if they have a rock collection to bring in a rock and tell about the collection. They will be asked 3 questions about their sharing and then a classmate will make a closing comment. This is part of our Responsive Classroom Morning Meeting. We will be starting homework this week. I will be sending the Book-in-a-Bag home each Monday. Read it with your child at least once every night and send it back with them on Friday. I will send more information along with the Book-in-a-Bag, but if you have questions just let me know. Please make sure to check your student's backpack each night and help them feel prepared for the next day. Thank you for all you do for your children! I will work hard to make it a wonderful year!
