Upcoming Events

November 23rd/24th/25th: No School-Thanksgiving Break

December 2: Report cards coming home

December 9th - 6:30 pm: Winter Program

Dear Woodlands families,
With the Winter Program quickly approaching, next week we will be working on singing and memorizing the lyrics to our song. Students will receive the lyrics to the two songs on Monday, and will need to practice as much as they can over the break. When we return to school on the 28th, we will add in our dance moves/hand motions. I have faith in the fourth and fifth grade that we can pull this off and make it a great concert.

On Monday, the Woodlands will be working with the first grade to make a Thanksgiving craft. Students in first grade are excited to work with the big kids, and the Woodlands students have been good role models for the younger friends.

Next week the fourth grade will take the Unit 2 assessment in math, on Tuesday.
