- February 28.....Trimester 2 Ends
- March 23.....Report Cards go home
- March 24.....No School - Nerstrand Only
- March 27 -31.....Spring Break - No School

Hello Woodlands families,

Next week students will have new word sorts and new reading logs/menus. Their next spelling test will be on Thursday, February 16th.

Students will have a letter that explains Valentine's Boxes. Please [click here](#) to view the letter digitally.

5th grade families: Please complete the [OTC Medication form](#) and [snack donation form](#) for the eagle Bluff trip. Students and chaperones will also need to complete the [medical/liability form](#). This will be a digital form directly from Eagle Bluff that must be completed for participation. We are accepting payments, and hope to have this taken care of ASAP. Families are encouraged to contact the office for a scholarship if needed. For more information on Eagle Bluff, [please click here](#).

In Social Studies, students have been learning about early English settlements, and designing their own settlement. Next week we will be introducing chapter 7, the next chapter which explains the 13 colonies.

Check out these youtube channels recommended by Jake.
