Dear Woodlands families,
Next week we will be finishing up our Geography Unit in Social Studies. Students will receive a study guide on Monday for their multiple choice and short answer quiz on Tuesday.

Students did a great job planting at the Prairie, but we ran out of time, and I had to push the spelling test to Monday. I will not send out a new word sort over the MEA Break. Students can expect their new word sort on Monday, 10/24.

When we return from MEA break, Woodlands students will be starting our first unit in Science, all about Water. Please let me know if you have questions, comments, or concerns. Have a great week!
