**Last Day of School Picnic/Walk to the Park:** Do you plan to attend our last day of school picnic? If you would consider walking to the park in the morning (9:00) with our class, we would really appreciate it. It is about 2 miles to the park. We will return to school in the early afternoon.

**Eagle Open Needs HELP!** The Eagle Open Golf Committee is still looking for help to make sure this worthwhile fund raiser continues into the future. The following people currently serve on the Eagle Open Golf Tournament Committee: Rich Bailey, Maggie DeMars, Jake Cook and Steve Potter. If you would like to consider this important opportunity, please contact any of these committee members or call the school office at 507-333- 6850 and we will get you in contact with the committee. We so appreciate you giving this some thought. We would love to have this tradition continue for years to come! We look forward to our 2019 Eagle Open on June 14th, 2019! Please consider helping out this great group of volunteers!

**School Year Books:** These are available for \$12. If you are interested, let me know. Checks can be made to PTO. If you send cash, please put it in an envelope labeled with your child's name and that it is for a yearbook. There is not an order form.

**Letter of the week:** We will be reviewing letters and sounds for the rest of the year. Your child can still bring something to share for the letter basket,

but we are asking that it be limited to **1 thing** on **Fridays only**. Our basket has been full recently:)

**Sight words:** We will be reviewing sight words for the rest of the year. Please continue to review them at home when you read and do the book in a bag activities. We are now introducing **blends**. We will be working on **digraphs** before the end of the year as well. We have been practicing **nonsense words** as well. These are simple words that kids can sound out but they are not really words (fen, han, div).

**Reading:** We are continuing to work on our writing skills. Wow! We just finished writing our first letter to Miss Amy's Dad in Kentucky! It was so fun! We will be working on some reader's theatre plays this next week.

**Math:** We will continue to work on addition and subtraction story problems this week in addition to other review skills.

**Science/Social Studies:** We are seeing our caterpillars change..... We are also growing a grass caterpillar. It's pretty funny!

**Book It Challenge:** **The Pizza Hut program ended in March**. Your child can still receive Kwik Trip certificates for the remainder of the year.

**\*\*Challenge:** Keep practicing tying shoes and reading your sight words. Here is a great video to help:
