Dear Families,

We made it through our first full week, and what a busy week it was! We learned about I PICK and the 5 Finger Rule, and how they can help us choose a “just right” book for us. Ask your child how it works because they can use it with you at the library or book store too! We also had our first homeroom class. In art we made a self-portrait in the style of Pablo Picasso. In science we talked about the parts of plants and the process of germination. We also did a Mystery Science project to see how seeds can be dispersed. Unfortunately the wet weather made it too soggy and muddy for us to go to the prairie, but we are going to try again next Friday. Long pants and sleeves and old sneakers will be good to wear that day.

**Upcoming Events**
Friday, Sept. 27th: Discovery Day
Saturday, Sept. 28th: PTO Nerstrand Night Out
Wednesday, October 2nd: Community Lunch 11:45
Friday, October 4th: NO SCHOOL Teachers attend PEN conference
